1. You may use either the Saint's name that you are taking for Confirmation or if you're not taking a Saint's name, then the Saint for your baptismal name. You may use the Saint that your class is doing their class project on. If you want to consult with the people in your class to complete this via texting, you may do that too. I know that some classes divided out the slides for the Saint Project on March 12th.
2. Then complete the following for the Saint you chose. You will need to use the internet to learn about your Saint in order to answer these.
 - a. Find the Saint's feast day, birthplace and what s/he is patron/patroness of.
 - b. Describe the Saint's life from a human perspective.
 - c. Describe a hunger and search (Zanzig's Model of Conversion) in the Saint's life.
 - d. Describe an awakening and response (Zanzig's Model of Conversion) in the Saint's life.
 - e. Why is s/he a Saint? When was s/he canonized?
 - f. Looking at today's music, what would be your Saint's top 3 favorite songs?
 - g. What is it about this Saint that you most admire?
