

Box Sharing Form
Boxtopia: Sleep Out for Hunger

Friday, October 16, 2020

My child _____ has permission to share a box with
_____.

I understand that the boxes will remain outside for the duration of the event, and young people will wear their masks. There will be frequent mask breaks when everyone is outside of their boxes. I have spoken with the other child's parents who are also submitting this form so that their child may share a box with my daughter/son.
